

AN ISO : 9001 : 2008 CERTIFIED INSTITUTION

HOLY HOME

SENIOR SECONDARY SCHOOL

The Experience Unparallel...

PROSPECTUS

AFFILIATED TO CBSE, NEW DELHI VIDE No. 230124

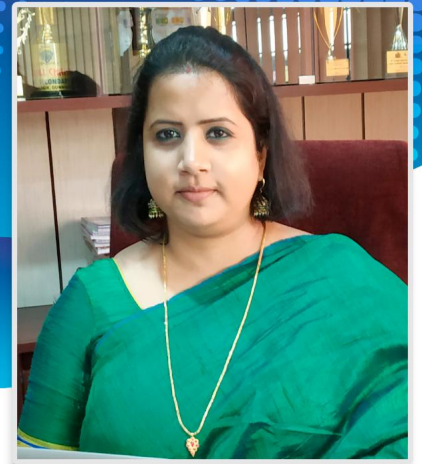

From the **CHAIRMAN's** Desk

In today's world, changes are becoming a day to day affair. Moreover with the advancement of Science and Technology the changes are more rapid. The environment in and out is full of challenges and competition. Everywhere we see people trying to move ahead of one another. In the process all are busy in developing oneself in every possible area. Thus, when education comes under this pretext then it really becomes a big challenge for the educators. Teachers here are the prime agents in making these changes a reality. Catering to the immediate requirement of the society the need was felt for an institution where young minds would get the freedom of learning and the opportunities to explore their potential. They would also be trained up to overcome the learning disabilities and develop their self esteem. They would be groomed to become highly successful individuals, getting along well with the myriad situations of life. With this ideology **Holy Home Senior Secondary School** came into being. Formation of this institution was the result of the almost single handed effort of *Dr. M. L. Dutta* an educationist with long years of experience. *Dr. Dutta* who has a Ph. D. degree in education has put in his 40 years of experience in the field of research in education and teaching.

DR. M.L. DUTTA

From the **DIRECTOR**'s Desk

We, at **Holy Home** believe that education is an on-going life long process in which a school plays a very pivotal role in providing the appropriate learning spaces and environment to a child according to his/her age and needs. The quality of schooling determines to a great extent the cognitive and psycho-social development of a child. Each and every child is unique infused with a lot of potential. Thus, **Holy Home** endeavours and takes utmost care to provide an environment which is supportive and holistic in nature where every single young soul feels that he/she is special and important with his/her own unique potential thereby engaging in both scholastic and co-scholastic activities. The trained, competent and resourceful teachers take special care to create a positive learning experience for the students and help them achieve their fullest potential academically and also in the other realms of all-round development. The school's wonderful infrastructure amidst its lush green landscape and state-of-the-art classrooms, laboratories and sports facilities provide the right kind of ambience to the young minds which facilitates the learning process and makes it an enjoyable one for them. **Holy Home** has been successful in forming, shaping and guiding young and impressionable minds for years now and also inculcating in them the right values and qualities necessary to face the challenges in life and help them grow and develop into independent and confident global citizens.

DR. PALLAVI DUTTA

From the **PRINCIPAL's** Desk

Welcome to **Holy Home Senior Secondary School**! We firmly believe that education is a continuous journey that shapes a child's overall growth. The school plays a crucial role in creating a nurturing and stimulating learning environment that fosters both intellectual and emotional development. At **Holy Home**, every child is valued as unique, and our teachers are dedicated to drawing out each student's talents and abilities. We encourage curiosity, creativity, the desire for knowledge, guiding our students toward becoming competent, confident and responsible individuals. Our well-planned infrastructure including modern classrooms, laboratories, libraries and sports facilities provide the perfect balance of academic excellence and extracurricular opportunities. Surrounded by a serene green campus, students find both inspiration and enjoyment in their learning journey. Through innovative teaching methods, interdisciplinary approaches and experiential learning, we aim to shape young minds into lifelong learners, critical thinkers and compassionate world leaders.

MR. DAVID BARMAN

ABOUT US

Holy Home Senior Secondary School is a unit of Holy Home Charitable Trust. The school is situated on a large green environment on the outskirts of the city. It is an area remote from the din and bustle of thickly populated city life of Guwahati which is also easily accessible by buses or other vehicle.

The members of Holy Home Senior Secondary School believe that good education itself provides a platform for professional competency and also inculcate in the students the moral values, dedication, integrity, honesty, perseverance, discipline, tolerance, forgiveness, self-esteem, strong will power, good disposition, punctuality and above all, love for the country and fellow human beings. A group of trained and experienced faculty members have been entrusted to educate this young generation. The basic objective is to help the students to develop a mindset which would enable them to cope with the challenges in the outside world. The classrooms are interactive which provide the scope for conceptual understanding enabling the students to have a creative and analytical thinking process. Social awareness is another key factor which has taken a very important place.

The school carries the tradition of organizing various festivals, special occasions and special assemblies such as Bihu, Diwali, etc. in order to make the students aware about our rich and diverse culture and inculcate in them a sense of belongingness and unity. Apart from these programmes, Independence Day, Rabha Divas, Silpi Divas, Environment Day, National Science Day and many more are also organized. Annual Exhibitions, Library Week, Annual Sports and Book Fairs are organized in the school campus to develop knowledge among the students about various topics important for holistic development.

In order to promote co-curricular activities, hobby clubs have been formed where students involve themselves in the areas of their choice like Games and Sports, Cultural Art and Craft, Quiz and Eco Clubs Debate, Extempore Speech, Group Discussions etc. These programmes and events help the students to acquire self-knowledge and develop their potential to the fullest.

The architectural and structural part was taken great care of based on practical classroom experiences. The size of the classroom is ideal for a teacher student ratio 1:30. In addition, the school has air-conditioned computer lab and library, well equipped Physics, Chemistry & Biology lab and multi-purpose hall. Provisions have been made for many more facilities in the project which will be available in due course with the advancement of the work of the project.

VISION

The school aims to connect teachers and students through a systematic and comprehensive use of technology, combined with a rigorous and relevant curriculum and a strong career preparation component. The objective is to mould students into socially responsible adults capable of succeeding in all phases of life.

MISSION

The school recognises that each child is an individual, that all children are creative, and that all children need to succeed. It therefore respects the individual needs of children, fosters a caring and creative environment, and emphasises their social, emotional, physical and intellectual development. The school strives to imbue every child with values, skills and spirit to become responsible citizens contributing to the global society.

*Image is for reference purpose only

ACADEMICS

The school follows the CBSE and NCERT-recognised curriculum as per the NEP 2020. Smart Boards are installed in every classroom to facilitate interactive and engaging lessons. Student assessment is carried out through an interdisciplinary approach. The school consistently records high student performance in standardised tests, board examinations, and university entrance exams. The teacher-student ratio complies with NEP guidelines, and all faculty members are experienced and highly trained.

LIBRARY

The school has a very good collection of books, e-books, audio-visual educational materials etc. in the library. Students can borrow books from the library in adherence to the issue/return policy of the School Library.

DIGITAL CLASSROOMS

Our constant effort to make the teaching-learning process more meaningful and effective has urged us to take up all technological innovations like Smart Classes, Learning Management system (LMS) and Educational Resource Management (ERP).

LABORATORY

The school features a well-equipped, air-conditioned IT laboratory with a sufficient number of computers to ensure individual access for each student. Structured lab periods are scheduled for hands-on experiments in subjects such as Physics, Chemistry, Biology, and Mathematics. All laboratories adhere to strict safety protocols and aim to enhance students' critical thinking skills.

ART & CRAFT

To develop students' aesthetic sensibilities and finer skills, dedicated art and craft classes are held under the guidance of trained teachers. These sessions provide students with opportunities to identify and express their creativity. The students also get opportunities to display their artworks on the school notice board, annual exhibition and cultural events which further boosts their morale and gives them a platform to showcase their talents.

YOGA AND MEDITATION

Regular yoga classes are held in a spacious, well-ventilated room with a serene ambience to support students' mental and emotional well-being. Certified and experienced yoga instructors conduct sessions to ensure personalised guidance. Daily meditation sessions are held before classes commence.

MUSIC & DANCE

At Holy Home, we firmly believe in nurturing creativity along with academics. To help the students express themselves and build confidence, regular music, vocal, guitar, keyboard and dance classes are included in their routines. These activities not only enrich their cultural knowledge but also enhance discipline and teamwork.

SPORTS

Recognising that games and sports help inculcate discipline, they form an integral part of the school curriculum. The school provides well-equipped outdoor and indoor sports facilities, including basketball, badminton, football, cricket, volleyball, table tennis and carrom. Experienced coaches guide and supervise students for these sports so that they can become skilled players. Also, students are regularly provided with opportunities to participate in inter-school competitions and tournaments organised by CBSE at Cluster, Zonal and National levels. Additionally, the school organises sports competitions at Inter-House levels throughout the year where students learn the values of fair play, respect and perseverance.

CAMPUS CLUBS

The school offers a variety of clubs to cater to students' interests:

- NCC – Trained instructors provide on-campus NCC training, with participation in camps that foster independence, discipline, and social responsibility.
- Eco Club – Encourages ecological awareness and sustainability practices among students.
- Literary Club – Aims to enhance language skills through storytelling, role play, creative writing, and similar activities.
- Debate Club – Promotes public speaking and communication through regular debates and discussions.
- Political Club – Conducts mock elections and parliamentary sessions to instil leadership qualities and political awareness.
- Cultural Club – Trained instructors guide students in vocal music, guitar, piano, and various dance forms.

GUIDANCE & COUNSELLING

A trained counsellor is available to support students' emotional and academic well-being. The counselling services are confidential and non-judgemental, covering personal, social, and academic matters. The school also organises career counselling sessions with experts from various professional fields.

CANTEEN

The school canteen serves freshly prepared, nutritious meals during school hours. Emphasis is placed on hygiene, and comfortable seating arrangements are ensured so that students can enjoy their meals in a relaxed environment. From wholesome meal options to energising snacks, the canteen caters to the varied tastes and needs of the students. Beyond serving as a dining area, the canteen also offers a space to the students to exchange ideas and build friendship while sharing meals.

PLAY AREA

A spacious, fully fenced play area is available within the school premises to support outdoor activities and recreational play for the junior students. Well-maintained equipment provides a safe space for the students to develop teamwork and leadership. Every aspect of the play area has been planned to nurture motor skills, coordination and social interaction among the children. The safe and child-friendly environment allows the students to express themselves freely and build friendships.

MOVIE SCREENING

Recognising the immense educational potential of visual storytelling, the school organises periodic movie screenings as part of its holistic approach to learning. These movie sessions offer an engaging and immersive educational experience and expose the students to diverse cultures and perspectives, promoting empathy and broader understanding. The screenings also build strong connections among the students as they bond over shared experiences.

GUEST VISITS

Experts, authors, and industry professionals regularly visit the school, offering students valuable insights and the opportunity to learn from diverse experiences and perspectives.

SUMMER CAMP

Regular summer camps are organised to inspire creativity and imagination among students. Students can discover new skills with a wide variety of activities like Art & Craft, Candle Making, Mehendi Design, Dance, Mime Art, Cooking and Baking etc. Each activity is thoughtfully designed to bring out creativity, teamwork and joy among students.

EDUCATIONAL TOURS

Educational tours are a vital part of holistic learning. By visiting museums, cultural landmarks and state assemblies our students get hands-on experiences that books alone cannot provide. These tours spark curiosity and encourage critical thinking in young minds.

SCHOOL EXCURSIONS

Annual educational and cultural excursions are an important part of the overall learning experience at our school. So, regular trips are organised to help students connect theoretical knowledge with practical application. These trips foster new skill development, friendship and lasting memories.

ANNUAL FUNCTION AND ANNUAL EXHIBITION

The school hosts major events in alternate years:

- CRESCENDO - A platform for students to showcase their talents in singing, dancing, drama and teamwork.
- PANACHE - An exhibition where students display their creativity and innovative projects through artwork, models and more.

AWARENESS PROGRAMMES AND TRAINING WORKSHOP

Training workshops and educational activities are regularly held for both teachers and students to enhance teachers' skills and knowledge, while helping students develop crucial skills like public speaking and critical thinking. These include seminars, workshops, soft skill development and Model UN or MUN which improve the overall academic environment of the school.

INFIRMARY

The school maintains a well equipped Medical Infirmary. Immediate First Aid is available for minor casualties. Routine medical checkup is carried out by the Medical Officer and a record is maintained of the same. If the Medical Officer is of the opinion that a child needs special medical attention, the parents are informed of the same immediately.

TRANSPORTATION

Well maintained school buses and vans are available depending on the number of students from any particular area and route. The bus drivers, attendants and female caretakers are well trained to provide a comfortable and secure environment, especially for female students. All vehicles are equipped with the most advanced vehicle tracking GPS system, allowing real-time monitoring of bus locations, assuring parents of the buses' whereabouts.

SECURITY

Safety and Security of the students and staff of the school is given paramount importance. The school campus is surrounded by high boundary walls and trained security guards. The campus is equipped with latest high security surveillance cameras with video recording which monitors the entire campus. Emergency drills are conducted on regular basis to train the students and teachers so that they do not panic during emergency situations.

HOSTEL

Holy Home Senior Secondary School's Hostel is a home away from home that provides comfort and convenience to a student to succeed. The accommodation is well built and equipped with the best facilities for the holistic growth of students. The hostel also has a dedicated mess that provides hygienically cooked food.

In addition to excellent infrastructure, the close proximity of the hostel to the academic building allows students to frequently communicate with the faculties for their studies. The hostel boarders are also allotted a dedicated study time under the supervision of teachers where they can clear their doubts regarding any subject.

AIR CONDITIONED ROOMS : Fully air conditioned rooms are provided for the students for a pleasant and healthy living environment.

AIR CONDITIONED STUDY ROOMS : Comfortable AC study rooms are available to enhance focus and productivity among students.

MESS : Our hostel mess ensures a clean environment to provide well balanced meals to give students the comfort of home.

SPORTS : Students can play table tennis, volleyball, cricket, badminton, and football on the sports ground. A professional coach is available for all activities.

LEISURE TIME/ RECREATION : The hostel provides ample opportunities for students to relax and play indoor and outdoor games to refresh their minds after study hours.

LAUNDRY SERVICE : A laundry service is available on campus on a payment basis.

MEDICAL ASSISTANCE : A 24/7 infirmary and medical assistance will be provided to the students in case of health emergencies.

SECURITY : (1) Security checks at the main gate of each hostel.
(2) Individual security guard for the hostel building.
(3) Experienced and trained in-house warden.
(4) CCTV Security Surveillance.

LOCAL TRIPS: Regular fun and educational trips are organised for students to enrich hostel life beyond the classroom.
